PREFACE

This is year 2010 edition of the publication “Facts and Figures about Ondo State”.

The publication is designed to serve as a guide / reference point for information about the State. The data contained in the publication were collated from publications produced by this Department as well as returns from other government agencies.

While we appreciate the cooperation of the agencies that made data available for this edition, it is anticipated that all Ministries, Departments and Agencies would endeavour to make data available for subsequent editions

Director,
Department of Research and Statistics,
Ministry of Economic Planning and Budget,
Akure, Ondo State.
