This is the 2012 edition of Niger State Education Statistics published by Niger State Bureau of Statistics (NSBS). The publication is one of the series of Statistical publications produced by the State's Apex Statistical Agency (NSBS) in its effort to make available relevant data that will be useful for Policy Formulation, Planning, Project/Programme Monitoring and Evaluation, and Research.

The publication is aimed at making available to the general public some basic information about the Education sector of Niger State. The data contained in the publication were collected. From the State Ministry of Education, Niger State Universal Basic Education Board, and other Educational related Agencies in the State.
