ACKNOWLEDGEMENT

We are indebted to the Chief Servant of Niger State, Dr. Muazu Babangida Aliyu, CON whose support and encouragement made this publication possible. We also appreciate and acknowledge his effort in facilitating the availability of conducive environment and legal framework for Statistical activities to thrive in Niger State.

The roles played by the National Bureau of Statistics (NBS), World Bank, UNDP, UNICEF and other Development Partners towards the transformation of the State's Statistical System and indeed the sustainable development of Niger State are also highly appreciated by the Government and people of Niger State.

The cooperation of the MDAs, LGAs and other data providers in the State for supplying the data that facilitated the production of this publication is also well acknowledged and appreciated. Similarly, we commend the staff of Niger State Bureau of Statistics and those of Niger State Planning Commission for their untiring efforts towards ensuring the availability of relevant statistical data useful for evidence-based Policy formulation and Planning in Niger State.

FOREWORD

This is the 2011 edition of "Health Statistics" published by Niger State Bureau of Statistics (NSBS). The publication is one of the series of Statistical publication produced by the State's Apex Statistical Agency (NSBS) in its effort to make available relevant data that will be useful for policy formulation, planning, project/programme Monitoring and Evaluation as well as Research.

The publication is aimed at making available to the general public some basic facts about Niger State. The data contained in the publication were generated from the daily, weekly, monthly and yearly Health activities across the State. The sources of the information contained in this publication are, Niger State Ministry of Health and Primary Health Care Dept. in Local Government Areas.

The Government and people of Niger State are particularly grateful for the support of the NBS, World Bank, UNDP and other Development Partner in transforming the Apex Statistical Agency of the state (Niger State Bureau of Statistics) to a Statistical outfit capable of meeting modern day statistical challenges.

We welcome constructive criticism and suggestions that will lead to the enhancement of subsequent editions of this publication.

***Hon. Commissioner,
Ministry of Budget & Economic Planning and
Deputy Chairman, Niger State Planning Comm***
