Executive Summary

The National Bureau of Statistics releases the Number of **Un-Sentenced Detainees and Overall Prison Population By State and Year from 2011 to 2015**.

Based on 2015 data, Lagos State has the highest number of un-sentenced detainees. The state recorded 5,603 un-sentenced detainees out of a prison population of 6,522, followed by Rivers and Edo States with 3,625 and 2,434 un-sentenced detainees.

Conversely, Yobe and Borno States had the least numbers of un-sentenced detainees of 163 and 216 of a prison population of 562 and 603 respectively.

Of the 36 states of the Federation, Lagos State had the highest prison population in the country with 6,522 inmates, closely followed by Kano and Rivers States with populations of 4,082 and 4,054 respectively.

The overall prison population in the country for 2015 was 62,260 as against 56,059 in 2014. The increase in prison population in 2015 represents about 11.06% growth in comparison to the overall prison population in 2014.

Overall, 72.53% of the prison population during the period under reference were un-sentenced.

Methodology and Advice to Users of Our Reports

Methodology

Data is supplied administratively by The Nigerian Prisons Service and verified and validated by the National Bureau of Statistics, Nigeria.

ADVICE TO USERS OF THIS REPORT

You are given the limited right to print this report and to distribute it by any means. You can print out pages and share/use them in your private discussion groups as long as you acknowledge NBS and you do not alter the report in any way. NBS is not responsible for any errors, omissions or representations on any of the pages in this report. Our report, opinions and analysis are based on best practice methodology and sources believed to be reliable and are written in good faith, but no representation or warranty, expressed or implied, is made as to their accuracy or completeness. The information in this report is updated from time to time. We encourage everyone to use the information in the report as a resource only to further their own research on all featured entities. This material is based upon information that we consider reliable, credible and factual but we do not represent that it is accurate or complete, as such. Any information, opinions, advice or offers posted by any person or entity logged in to the NBS's website associated sites is to be construed as public conversation only. In delivering this report, the NBS works with and through organisations with distinct service competencies in data presentation. NBS takes extra steps to ensure that information provided by it are accurate, fact checked and validated for compliance with internationally acceptable standards and practices. While this report is checked for accuracy, we are not liable for any incorrect information included. We are always happy to receive your comments on how we can improve on this report. Should you be interested in contacting us for further discussions on how such reports can be made more meaningful to you or your organization? Kindly contact feedback@nigerianstat.gov.ng
