Nigeria’s Vision 2020’s intent is to position Nigeria to become one of the top 20 economies in the world by 2020

Linking the objectives of the NEEDs program (2004-2007), the NEEDS 2 program, and the Seven-point Agenda, key objectives of the vision 2020 are to:

- Stimulate Nigeria’s economic growth and launch the country onto a path of sustained and rapid socio-economic development
- Place Nigeria in the bracket of top 20 largest economies of the world by the year 2020, able to achieve a GDP of not less than $900 billion and a per capita income of not less than $4000/annum by the year 2020

The Nigerian Government and key Vision 2020 stakeholder groups have already taken concrete steps towards the development of the Vision 2020 plan such as:

- Provision for the developmental efforts in the 2009 Budget
- Development of sectoral strategies for the Vision by some Ministries, Departments and Agencies (MDAs):
  - CBN Financial Sector Strategy 2020
  - FIRS 2020 Strategy
- Constitution and Inauguration of the Business Support Group (BSG) intended to engender private sector support for the Vision 2020 process by the National Steering Committee

Further, the National Planning Commission and the Vision 2020 Secretariat, which houses the Steering Committee, have been mandated by the Federal Executive Council (FEC) to produce the Vision 2020 Plan for launch by the President on October 1st 2009
Background

An Institutional Framework has been set up to oversee the development of the NV2020 Plan, with active participation of MDAs and States.

Key Member of the Vision 2020 Institutional Framework
The success of the program must be such that lead to the realization of the following key parameters set by the Government:

- **Macro-Economy:**
  A sound, stable and globally competitive economy with a GDP of not less than $900 billion and a per capita income of not less than $4000 per annum

- **Agriculture:**
  A modern technologically enabled agricultural sector that fully exploits the vast agricultural resources of the country, ensures national food security and contributes to foreign exchange earnings

- **Polity:**
  Peaceful, harmonious and a stable democracy

- **Education:**
  Modern and vibrant education system which provides the opportunity for maximum potential, adequate and competent manpower

- **Infrastructure:**
  Adequate infrastructure services that support the full mobilization of all economic sectors

- **Health:**
  A health sector that supports and sustains life expectancy of not less than 70 years and reduces to the barest minimum the burden of infectious and other debilitating diseases

- **Manufacturing:**
  A vibrant and globally competitive manufacturing sector that contributes significantly to GDP with a manufacturing value added of not less than 40%
Each of the NTWGs will focus on one of the 29 defined Thematic Areas grouped into four broad categories:

The following have been identified as being critical to the success of the Vision 2020 Project:

1. Active involvement of all NTWG members through the planning phase
2. In this regard;
   - NTWGs to agree meeting dates and meeting protocol; meeting dates to be communicated to NV2020 secretariat for the purpose of updating the integrated workplan
   - NTWGs to appoint chairmen for each thematic area
   - NTWGs to adopt workplan
   - NTWGs to agree working documents and interface plan with other committees
3. Consistent support of the National Council on Vision 2020 and the National Steering Committee through the planning phase
Next Steps

- After Lunch, you will break into individual working groups to:
  - Appoint a chairman
  - Agree modalities for working group sessions
  - Define additional protocol for subsequent meetings
  - Share knowledge in areas of expertise within the group
  - Contact other members of the group
  - Agree the date of the next working sessions after the mandatory kick off meeting
  - Familiarise with other group members to foster team spirit

- Before the next mandatory session on Wednesday, 6th – Friday, 8th May, 2009, each NTWG will get:
  - Detailed Workplans
  - Baseline Information
  - Input documents – NEEDS 1, NEED 2, Vision 2010 Plan etc.
