## PROBLEM DRUG USE ASSESSMENT IN NIGERIA, 2017

### KEY INFORMANT QUESTIONNAIRE

---

### DATA CODE BOOK

---

#### THE LOGIC BEHIND VARIABLE LABELLING

1. The survey has a numbered section on the cover page bearing information about the state and general details about where information regarding the survey was obtained.

2. Sections have been assigned alphabets from A-I -> This character takes the position of the first variable label. For example, A1
3. Within each section, numbers both Arabic and Roman and alphabets have been assigned to each question as applicable.
4. States have been assigned codes for easy comprehension. Both alphabet and numeric codes have been assigned to each state: Abia AB 01, Akwa Ibom AK 02.....
5. Open ended questions will be filled in as written. E.G B2. What was the drug you first used? -----if the respondent's reply was "cigarette", it should be filled in as cigarette.

### IDENTIFICATION INFORMATION

The data dictionary below contains all variables as derived from the survey. It is in the order of the Key Informant Questionnaire 2017.

IDENTIFICATION INFORMATION			
Variable Name	Question	Items	Code
S/no	The numbers on the questionnaire from 1-250 or 300 on the questionnaires per state.		
State Code	State in this survey refers to the 36 states and the Federal capital territory in Nigeria. The states are coded in the coupon management cards. The codes for each state. E.g. Akwa Ibom=AK=003		
State Name	This is the generic name for each of the 36 state including the FCT.		
LGA Code	The codes assigned to each and every Local Government area used in the survey. E.g. Jos North=21 this means Instead of writing Jos North, it will be entered as 21		
LGA Name	This is the name of the Local Government Area as opposed to the code		
Locality	Locality refers to the location where the survey was carried out. It will be written as it appears on the questionnaire		

<b>Sector</b>	refers to the area used in the survey either urban or semi-urban	Urban Semi-urban	1 2
<b>Resp NO</b>	Refers to the unique number from 1 to at least 250 and at most 300 numbered serially per state. Example: CR001 = Cross River 001.		
<b>Interviewer</b>	This refers to the name of the interviewers in the survey. It will be written as it appears in the questionnaire.		
<b>Date of Interview</b>	The day, the month and year the interview was carried out. It will be written as it appears on the questionnaire		
<b>Field Supervisor</b>	This is the name of the Zonal co-ordinator in charge of the states. It will be written as it appears on the questionnaire		
<b>Start time</b>	The time the interview started written in GMT.		
<b>End Time</b>	The time the interview ended written in GMT		
<b>Result of Interview</b>	This refers to the state of the filled questionnaire.	Completely - Filled Incomplete Filled but with Difficulties to interview Non-contact	1 2 3 4
<b>Interview No</b>	This refers to the number assigned to each questionnaire by the interviewer per state.		

**SECTION A: BACKGROUND INFORMATION**

<b>1Gender</b>	Gender of respondent	<b>Male</b> <b>Female</b>	<b>1</b> <b>2</b>
<b>2JobPosition</b>	Respondent's job title position	Psychiatrist Other professional providing drug treatment services (psychologist, psychotherapist, etc.) Outreach workers Health worker Teacher Local community leader Social Worker (NGO worker) Police official Ex-drug user/recovering addict Traditional ruler Religious scholar Other (specify)	1 2 3 4 5 6 7 8 9 10 11 12
<b>3.Length</b>	How long have you been living in this area?	<input type="text"/> <input type="text"/> Years	Write in years as given

**SECTION B: PATTERNS OF DRUG USE**

<b>B1.1Cannabis</b>	Cannabis (herb or resin)	Commonly used Sometimes used Rarely used No use Don't know	1 2 3 8 9
<b>Age Cannabis</b>	If used, typical age of first use of Cannabis (herb or resin)	<input type="text"/> <input type="text"/> Years	Write as given

<b>B1.2Methamphetamine</b>	Methamphetamine (crystal or powder)	Commonly used Sometimes used Rarely used No use Don't know	1 2 3 8 9
<b>Age Meth</b>	If used, typical age of first use of Methamphetamine (crystal or powder)	<input type="text"/> <input type="text"/> Years	Write as given
<b>B1.3Cocaine</b>	Cocaine	Commonly used Sometimes used Rarely used No use Don't know	1 2 3 8 9
<b>Age Cocaine</b>	If used, typical age of first use of Cocaine	<input type="text"/> <input type="text"/> Years	Write as given

***N.B: The same applies throughout till B17.***

<b>B2.In general which out of the drug types we just talked about would you say are the THREE drugs most commonly used by MEN in your area?</b>			
<b>B2aMenCommon</b>	Most common drug used by MEN	Cannabis (herb or resin) Methamphetamine (crystal or powder), Cocaine, Crack cocaine Ecstasy Tranquilizers (such as Bromazepam, valium, tropium, calmpose) Alcohol Maltranal Painkillers or analgesics (such as Tramadol, Morphine, Pethidine, Pentazocine)	1 2 3 4 5 6 7 8 9

		Amphetamines such as Dexedrine or Adderall	10
		Methamphetamine tablets such as Pervitin, Methedrine, or Desoxyn	11
		Heroin	12
		LSD(Lysergic Acid Diethylamide)	13
		PCP (Phencyclidine),	14
		Solvents/Inhalants (such as glue),	15
		Cough syrup (e.g. Coldex)	16
		Other	17
<b>B2bMenCommon</b>	Second most common drug used by MEN	Code as 2a above.	
<b>B2cMenCommon</b>	Third most common drug used by MEN	Code as 2a above	
<b>B3. In general which out of the drug types we just talked about, would you say are the THREE drugs most commonly used by WOMEN in your area?</b>			
<b>B3aWomenCom</b>	Most common drug used by WOMEN	Cannabis (herb or resin)	1
		Methamphetamine (crystal or powder),	2
		Cocaine,	3
		Crack cocaine	4
		Ecstasy	5
		Tranquilizers (such as Bromazepam, valium, tropium, calmpose)	6
		Alcohol	7
		Maltranal	8
		Painkillers or analgesics (such as Tramadol, Morphine, Pethidine, Pentazocine)	9
		Amphetamines such as Dexedrine or Adderall	10
		Methamphetamine tablets such as Pervitin, Methedrine, or Desoxyn	11
		Heroin	12

		LSD(Lysergic Acid Diethylamide)	13
		PCP (Phencyclidine),	14
		Solvents/Inhalants (such as glue),	15
		Cough syrup (e.g. Coldex)	16
		Other	17
<b>B3bWomenCommon</b>	Second most common drug used by WOMEN	Code as 3a above.	
<b>B3cWomenCommon</b>	Third most common drug used by WOMEN	Code as 3a above	
<b>B4.Which of the drug types we just talked about, would you say are the THREE drugs most commonly used by YOUNG people in your area?</b>			
<b>B4aYouthCom</b>	Most common drug used by young men and women aged 16-25 years	Cannabis (herb or resin)	1
		Methamphetamine (crystal or powder),	2
		Cocaine,	3
		Crack cocaine	4
		Ecstasy	5
		Tranquilizers (such as Bromazepam, valium, tropium, calmpose)	6
		Alcohol	7
		Maltranal	8
		Painkillers or analgesics (such as Tramadol, Morphine, Pethidine, Pentazocine)	9
		Amphetamines such as Dexedrine or Adderall	10
		Methamphetamine tablets such as Pervitin, Methedrine, or Desoxyn	11
		Heroin	12
		LSD(Lysergic Acid Diethylamide)	13
		PCP (Phencyclidine),	14
		Solvents/Inhalants (such as glue),	15
		Cough syrup (e.g. Coldex)	16

		Other	17
<b>B4bYouthCommon</b>	Second most common used by young men and women aged 16-25 years	Code as 4a above.	
<b>B4cYouthCom</b>	Third most common used by young men and women aged 16-25 years	Code as 4a above	
<b>B5. Which of the drug types we just talked about, would you say are the THREE drugs most commonly used by ADOLESCENTS in your area?</b>			
<b>B5aAdolescent</b>	Most common drug used by adolescents boys and girls less than 16 years	Cannabis (herb or resin) 1 Methamphetamine (crystal or powder), 2 Cocaine, 3 Crack cocaine 4 Ecstasy 5 Tranquilizers (such as Bromazepam, valium, tropium, calmpose) 6 Alcohol 7 Maltranal 8 Painkillers or analgesics (such as Tramadol, Morphine, Pethidine, Pentazocine) 9 Amphetamines such as Dexedrine or Adderall 10 Methamphetamine tablets such as Pervitin, Methedrine, or Desoxyn 11 Heroin 12 LSD(Lysergic Acid Diethylamide) 13 PCP (Phencyclidine), 14 Solvents/Inhalants (such as glue), 15 Cough syrup (e.g. Coldex) 16 Other 17	
<b>B5bAdolescent</b>	Second most common used by adolescents boys and girls less than 16 years	Code as 5a above.	
<b>B5cAdolescent</b>	Third most common used by adolescents boys and girls less than 16 years	Code as 5a above	

<b>B6Injection</b>	Overall, how common would you say drug use by injection is amongst drug users in your area?	Commonly used	1
		Sometimes used	2
		Rarely Used	3
		No use	4
		Don't know (DK)	9

**SECTION C: CHANGING PATTERNS AND TRENDS**

<b>C1 Overall would say that use of [drug] in your area has increased/decreased since last 5 years?</b>			
<b>C1.1Cannabis</b>	Cannabis (herb or resin)	Not used	1
		Decreased a lot	2
		Decreased a little	3
		Not changed	4
		Increased a little	5
		Increased a lot	6
		Don't know	9
<b>C1.2Meth</b>	Methamphetamine (crystal or powder)	Not used	1
		Decreased a lot	2
		Decreased a little	3
		Not changed	4
		Increased a little	5
		Increased a lot	6
		Don't know	9
<b>C1.3Cocaine</b>	Cocaine	Not used	1
		Decreased a lot	2
		Decreased a little	3
		Not changed	4
		Increased a little	5
		Increased a lot	6
		Don't know	9

***N.B: The same applies throughout till C1.17***

<b>C2ChangeReason</b>	If you could think and describe in your own words, what, in your opinion, could be the reasons that may be important for this change (decrease and/or increase) in the use of specific drugs over the past five years in your area?	Write as given by respondent	
<b>C3 Overall would say that use of [drug] in your area has increased/decreased since last 12 months?</b>			
<b>C3.1Cannabis</b>	Cannabis (herb or resin)	Not used Decreased a lot Decreased a little Not changed Increased a little Increased a lot Don't know	1 2 3 4 5 6 9
<b>C3.2Meth</b>	Methamphetamine (crystal or powder)	Not used Decreased a lot Decreased a little Not changed Increased a little Increased a lot Don't know	1 2 3 4 5 6 9
<b>C3.3Cocain</b>	Cocaine	Not used Decreased a lot Decreased a little Not changed Increased a little Increased a lot Don't know	1 2 3 4 5 6 9

***N.B: The same applies throughout till C3.17***

<b>C4OneYearReason</b>	If you could think and describe in your own words, what, in your opinion, could be the major reasons that may be important for this change (decrease and/or increase) in the use of specific drugs over the last one year in your area?	Write as given by respondent	
<b>C5NewDrug</b>	Would you say there has been evidence of any new drugs being used over the last year or so, in your area?	Yes NO Don't know	1 2 9
<b>C5NAME</b>	If yes, please specify name of new drug		

#### D: SOCIO-DEMOGRAPHICS AND DRUG USE

<b>D. the socio economic status (e.g. low income group / poor, middle class, upper class, etc.) of the people who use drugs in your area</b>			
<b>D1. What in your opinion are the socio economic status of MEN using [drug] in your area?</b>			
<b>D1iMenlowincome</b>	Most Common drugs MEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D1iMenMiddleincome</b>	Most Common drugs MEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D1iMenUpperincome</b>	Most Common drugs MEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents..	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D1iiMenLowIncom</b>	Second Most Common drugs MEN use in your area. Coding for the drugs is same as in section B.	Low Income Middle Income	1 2

	N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Upper Income Don't Know	3 9
<b>D1iiMenMiddleIncome</b>	Second Most Common drugs MEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D1iiMenUpperIncome</b>	Second Most Common drugs MEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D1iiiMenLowIncome</b>	Third Most Common drugs MEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D1iiiMenMiddleIncome</b>	Third Most Common drugs MEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D1iiiMenUpperIncome</b>	Third Most Common drug MEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D2. What in your opinion are the socio-economic status of WOMEN using [drug] in your area?</b>			
<b>D2iWomLowIncome</b>	Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D2iWomMiddleIncome</b>	Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B.	Low Income Middle Income	1 2

	N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Upper Income Don't Know	3 9
<b>D2iWomUpperIncome</b>	Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D2iiWomenLowIncome</b>	Second Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D2iiWomenMidIncome</b>	Second Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D2iiWomUpperIncome</b>	Second Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D2iiiWomLowIncome</b>	Third Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D2iiiWomMidIncome</b>	Third Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D2iiiWomUpperIncome</b>	Third Most Common drug WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9

**D3. What in your opinion are the socio economic status of YOUNG MEN and WOMEN who are between 16 and 25 years old, using [drug] in your area?**

**D3i Most common drug used by YOUNG MEN and WOMEN and their socio economic status.**

<b>D3iYouthLowIncome</b>	Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D3iYouthMidIncome</b>	Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D3iYouthUpperIncome</b>	Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D3iiYouthLowIncome</b>	Second Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D3iiYouthMidIncome</b>	Second Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D3iiYouthUpperIncome</b>	Second Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D3iiiYouthLowIncome</b>	Third Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next	Low Income Middle Income Upper Income	1 2 3

	column if they are picked/ticked by respondents.	Don't Know	9
<b>D3iiiYouthMidIncome</b>	Third Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D3iiiYouthUpperIncome</b>	Third Most Common drug YOUNG MEN and WOMEN use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D4 Most common drug used by ADOLESCENT boys and girls less than 16 years and their socio economic status.</b>			
<b>D4iAdolLowIncome</b>	Most Common drug ADOLESCENTS use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D4iAdolMidIncome</b>	Most Common drug ADOLESCENTS use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D4iAdolUpperIncome</b>	Most Common drug ADOLESCENTS use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D4iiAdolLowIncome</b>	Second Most Common drug ADOLESCENTS use in your area. Coding for the drugs is same as in section B. N.B: Under each class, write the number for the class as coded in the next column if they are picked/ticked by respondents.	Low Income Middle Income Upper Income Don't Know	1 2 3 9
<b>D4iiAdolMidIncome</b>	Second Most Common drug ADOLESCENTS use in your area. Coding for the drugs is same as in section B.
